Repairing Homes. Rebuilding Lives.

National Rebuilding Day is our signature annual event held the last Saturday in April and is the culmination of a year of planning, evaluating, training, organizing, and mobilizing hundreds of thousands of community volunteers nationwide.

Volunteers join local affiliate leaders to repair and restore houses and nonprofit facilities, revitalizing entire communities and making a lasting impression on the families and individuals who are helped.

Community leaders and national corporate sponsors embrace **National Rebuilding Day** as a way to bring immediate impact to America's communities in a single day.

Each year volunteers and sponsors repair approximately 4,000 homes and community centers throughout the U.S. on National Rebuilding Day. **NATIONAL SPONSORS** include:
