

## Programs and Events

### Mission:

Bringing volunteers and communities together to improve the homes and lives of low-income homeowners in need throughout Southern Nevada.

### Vision:

To preserve affordable homeownership by creating a safe and healthy home for every individual and family in Southern Nevada.

### National Rebuilding Day

National Rebuilding Day is our signature annual event held the last Saturday in April and is the culmination of a year of planning, evaluating, training, organizing, and mobilizing hundreds of thousands of community volunteers nationwide.

### Safe At Home Program

The primary goal of Safe at Home program is to address home repair and maintenance issues that potentially present a safety risk or limit the access to or within the home. Projects are selected to match the skill set of the volunteer team and supplemented by skilled trade professionals as required.

### Emergency Repair Program

Throughout the year, critical home repairs such as roofing, electrical and plumbing and other accessibility modifications are completed for low-income Southern Nevada homeowners, utilizing licensed contractors paid by Rebuilding Together Southern Nevada.

### Heroes at Home

Sears Holdings created the annual partnership with Rebuilding Together in response to an urgent need to address home rehabilitation needs of military families facing hardship. Additionally, the volunteer-driven repair program is held throughout the year to assist veterans and families of deployed members of the military.

### Green Housing Program

Home repair and rehabilitation are inherently green. Through the repairs Rebuilding Together affiliates make, homeowners save money and are better able to afford other essential needs.

---

**Rebuilding Together Southern Nevada (RTSNV)** is the local affiliate of the national non-profit that has been working to preserve affordable homeownership by bringing volunteers and communities together to improve the homes and lives of low-income homeowners including veterans, seniors, persons with disabilities and multigenerational family's homeowners.

Since 1994, RTSNV and 1,500 community volunteers have renovated and rehabilitated more than 6,500 homes throughout Southern Nevada
